Jet Propulsion Laboratory
California Institute of Technology

Overview

<http://jpl.nasa.gov> (Jet Propulsion Laboratory)

JPL is the lead US center for robotic exploration of the SOLAR SYSTEM

JPL research collaborates efforts of SCIENTISTS around the world

Jet Propulsion Laboratory
California Institute of Technology

Challenge

6 WEEKS to deliver: CONFERENCE SOLUTION that was a First!

Supervisor : Monitor 20 conferences CONCURRENTLY

Supervisor : CONTROL USERS

USERS with EASY visual display
of CONFERENCES

Jet Propulsion Laboratory
California Institute of Technology

Solution

PBXware and gloCOM

CONTROLLED MEDIA STREAMS

Supervisor : Instant Alert Message to GROUPS of Scientists

Seamless User Authentication

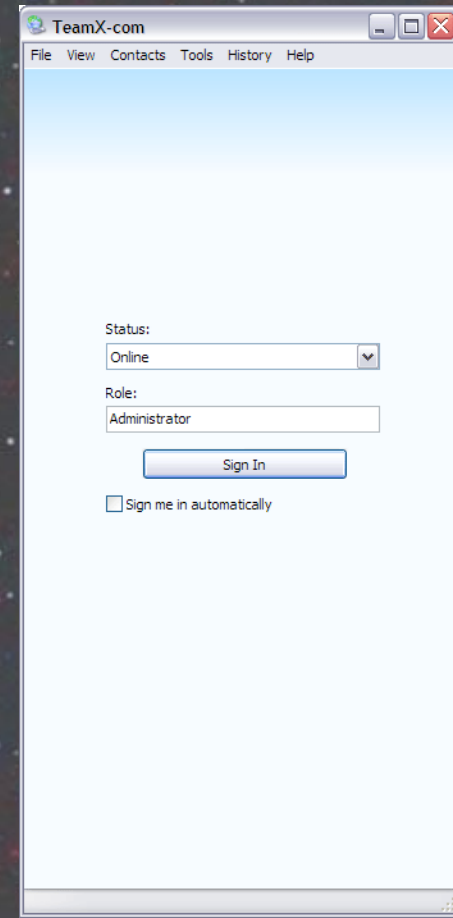

Jet Propulsion Laboratory
California Institute of Technology

Implementation

DEVELOPMENT TEAM set about BEST FIT SOLUTION

OPEN STANDARDS Hardware

ONE WEEK TESTING & SIGN OFF
